VILLAGE OF LA GRANGE PRESS RELEASE

ANDRIANNA PETERSON TO SERVE AS LA GRANGE VILLAGE MANAGER

The Village of La Grange has selected Andrianna Peterson to serve as its next Village Manager. Peterson was selected after an open and independent search which yielded more than 80 applicants from across the country.

Peterson has served as Assistant Village Manager of La Grange since 2006 and, prior to that, has had leadership roles in municipal government throughout the region.

“Andri’s strong experience of service to residents and government operations stood out in our search,” said Mike Kotynek, Village Trustee, who co-chaired the search committee.

“The Village Board took great care in deliberating on the selection of a new Village Manager and we all welcome and congratulate Andri in her new role to build on our strengths in the coming years,” said Village President Tom Livingston.

Peterson’s term will begin effective July 11, 2017.
