Republic Services

has partnered with the Village of La Grange to expand the optional refuse and recycling cart program. Refuse cart subscribers will be provided with a new recycling cart at no additional cost as part of their service plan.

65-Gallon Cart = 2 Standard Garbage Cans

95-Gallon Cart = 3 Standard Garbage Cans

RECYCLING

65-Gallon Cart = Approx. 4 Standard Recycling Bins

Saves Money

Monthly subscription costs for carts are significantly less than purchasing the equivalent amount of stickers for garbage cans. Depending on the stickers normally purchased, customers can save hundreds of dollars each year by switching to carts. When you subscribe to either a 65- or 95-gallon refuse cart, you will be provided a 65-gallon recycling cart at no additional cost.

Clean and Convenient

The new twin cart option simplifies recycling. All your recyclables can be placed in the recycling cart without sorting. Sturdy wheels make carts easy to move while a hinged lid keeps material in and pests out. The new carts are easy to fill, withstand the elements and provide a neater look throughout the neighborhood on collection day.

Sign up for the optional refuse cart program today!
